

Engineering Circular No. 14

(Amended on 09.01.2009)

NO.: ENG/ISM-59(4)/LA-A/03

Dated:24th October, 2008

Sub: Panel of Auditors for ISM Code Audits

This circular shall be updated once in a year or when the requirement for the inclusion / deletion of Auditors is necessary. Hence, all concerned are required to have an updated list of Auditors of the Directorate and its allied offices from the web site www.dgshipping.com.

The Panel of Auditors for ISM Code Audits has now been amended on 09.01. 2009 and this supersedes the earlier list brought out vide our Engineering Circular No.14 dated 20th November, 2006.

The below mentioned list are the Surveyors of this Directorate and its allied offices who have undergone ISM Lead Auditors course and the requisite experience and they have been accredited as Lead Auditor / Auditors to assess the Company or Ship for the compliance of the requirements of the ISM Code. The accredited Lead Auditor on his nomination may lead or participate in any type of ISM Audit and the Auditors are required to participate as team members in any type of ISM Audits. This may be brought to the notice of all concerned for information and necessary compliance.
