

WP No.22952 of 2021
and WMP. No. 24169 of 2021

N.ANAND VENKATESH. J.,

Rajesh Vivekanandan, learned counsel takes notice for the respondents.

2. The subject matter of challenge in the present writ petition pertains to the Suspension order dated 18.10.2021 passed by the 1st respondent dated 18.10.2021 wherein the petitioner Institution has been restrained from admitting any candidate to any new batches and in any of the approved courses during this academic year, till all the deficiencies are rectified.

3. A reading of the Suspension order shows that the deficiencies have been listed from a to r. At paragraph 10 of the order, the authority speaks about scrutinizing the reply received from the institute along with all the additional records. At paragraph 10 and 13 of the order, the authority says that the petitioner Institution has complied with only 3 out of 34 reported deficiencies. The major deficiencies that were pointed out from (a) to (r) has been sufficiently replied by the petitioner institution and the same is also found by way of a Tabular Column in the affidavit filed in support of the writ petition. While dealing with the same, the 1st respondent does not even specifically state as to what deficiencies were complied with

and what deficiencies are yet to be complied with. The 1st respondent abruptly concludes the order at paragraph No. 14 without any discussion and ultimately restrains the petitioner Institution from admitting any candidate in the new batches.

4. This Court *prima facie* finds that the order passed for the 1st respondent is bereft of details and it does not deal with the compliance that has been explained by the petitioner. The order merely reiterates the earlier stand and generally comments upon deficiencies without any specific details.

5. A *Prima facie* case has been made out for grant of interim order and hence, there shall be an order of Stay of impugned proceedings for a period of 4 weeks.

6. Post this writ petition along with writ petition No.17149 of 2021 after four weeks. In the mean time, the respondents are directed to file their counter affidavit.
