**Subject: Non-mandatory attendance of Extra Master's Course**

In accordance with the requirement of paragraph 5.1 of Section M-II/4 of META Manual Vol I, attendance in Extra Master's Course is necessary for Extra Master's Certification. The approved course is divided into 3 parts viz.

Part 'A': Applied Mathematics and Statistics, Pure Mathematics and Physics

Part 'B': Naval Architecture, Navigational Aids and Navigation.

Part 'C': International Maritime Agreements and Legal Knowledge, Shipping Management and Marine Environmental Studies.

Due to insufficient number of candidates for Extra Master certificate no regular classes are being conducted.
