NT/Radio/Circular No. 01 of 2014

F.No. 47-NT (2)/2008

Dated:- 09/12/2014

Sub:- Certificate of approval of EPIRB/ SART service station - reg. Intermediate inspection.

With regard to the subject matter, in order to reduce inspection regime and also continue with effective control, it has been decided by the Directorate that only one intermediate inspection between renewal cycle of 5 years need be carried out. The surveyors (of the Department & the Class) may monitor closely on compliance with QMS & manufacturer's operations/service manual frequently during the routine visits of the service stations and if any irregularities/ deviations are noticed, then same may be reported to local P.O., MMD concerned immediately.

Any complaint received from a reliable source needs to be carefully examined/verified against the concerned service station by the P.O., MMD concerned & full report alongwith recommendations to be sent to the Directorate immediately or that of intermediate inspection report, as applicable.

Yours faithfully,

(Capt. S.K. Shukla)

Dy. Nautical Advisor to GoI
