

Authorized by the Chief Examiners of Engineers and Master & Mates	Examination, Assessment & Certification (EAC) Branch	IS/ISO Clause No. 7.5.1
	Subject: Mandatory requirement for submission of successful completion of training course on High Voltage system for Certificate of Competency examination / revalidation by engineer officers and electro technical officers	Circular No. 134 of 2017
	F. No: - ENG/MISC-29(7)/2016	Dated: 09.02.2017

**Corrigendum to Examination, Assessment & Certification
(EAC) Branch Circular No. 134 of 2017**

In partial modification of the Examination, Assessment & Certification (EAC) Branch Circular No 134 of 2017, Para No. 7(c) may be read as:

- All those seafarers in possession of engineering grade CoC, issued under STCW Regulation III/1 and III/2 or electro-technical officers CoC issued under STCW Regulation III/6, desiring to revalidate their CoC on or after **1 July 2017** are also required to have successfully completed the applicable high voltage course prior applying for revalidation.

The above amendment has been incorporated in the aforesaid circular in consultation with the stake-holders based on their inputs during the meeting held on 8 February 2017 chaired by the Chief Surveyor where the industry has expressed their inability to meet the cut-off date of 1 February 2017 for imparting High Voltage Safety & Switch Gear course to all their ETOs and Engineers on Management level before joining ships.
